

Annual CHS Committee Report 2008-2009

Committee title and membership list:

Heddleson Faculty Grant Committee

Associate Dean: (to be named)

Interim Director, Families Extension: Jeanne Warning

Department Faculty Member: Rajagopal, Lakshman [AESHM]

Graduate Student Member: Li Li, FSHN

Extension Faculty Member: Kim Greder, HDFS

Approximate number of meetings held:

One consultation to review the single application

Major Accomplishments:

Reviewed and awarded the faculty grant; notified the recipient and worked with the college accountant to award the money

Significant challenges confronted and how they were addressed:

Ideally we planned to use the same committee members serving as the Helen LeBaron Hilton selection committee (see above) however there were some challenges during this transition year. We identified a faculty member not involved in the department of the applicant to review the application.

Next steps and future plans:

We need to identify committee members in the fall; we will likely need a replacement for the graduate student in FSHN as she is graduating.
