

## Annual CHS Committee Report 2008-2009

**Committee title and membership list:** CHS Undergraduate Scholarship Committee  
Ann Thye (AESHM), JoAnne Olson (C&I), Terri Boylston (FSHN), Lisa Sharp (HDFS), Warren Franke (KIN),  
Nikki Laug, Tara Fisher, Corly Brooke (Chair)

**Approximate number of meetings held:** 5 meetings for the year

**Major Accomplishments:** See handout.

**Significant challenges confronted and how they were addressed:** Stock market crash affected the amount and number of awards that could be given because the awards are based on interest. We awarded everything that we could and also allowed for more scholarships to be awarded from the CHS General Scholarship Fund (per Dean White).

KIN and C&I always have fewer scholarships to award because of the old FCS scholarship requirements. To help make that a little fairer, we tend to award CHS scholarships to C&I and KIN majors.

**Next steps and future plans:** To move those departments that are willing to online scholarship applications (KIN, C&I have mentioned)

**Additional comments:** Need to determine if Department Scholarship Chair or committee member should be the representative on the College Scholarship committee instead of just anyone.

**Submitted by:** Tara Fisher/Corly Brooke
