Susan P. Maude, Human Development & Family Studies was awarded a 2008-09 Miller Faculty Fellowship award in the amount of \$33,513. The award will support a systematic and evidence-based process to examine and redesign the undergraduate Early Childhood Education (ECE) program to be reflective of and responsive to cultural, linguistic and ability diversity (CLAD). The ECE faculty and staff team will replicate a US Department of Education funded model (Crosswalks Project) that has been successful in increasing the emphasis on CLAD in ECE coursework, practica and program practices.
