On-campus interviews will be conducted at LeBaron Hall the day following the fair. Due to limited available space, employers traveling to Iowa State from beyond a reasonable commuting distance will be given first access.

PROFESSIONAL DEVELOPMENT AT THE FAIR

The primary purpose of the career fair is to provide an opportunity for employers to connect with job seekers. However, we also recognize the professional development skills students acquire and develop while interacting with employers. As you engage with these students to identify future hires, we ask that you also provide feedback that will help students develop their qualifications and networking skills.

CAREER FAIR STUDENT AMBASSADORS

Career Fair student ambassadors are available to assist employers throughout the day. Please do not hesitate to ask an ambassador if you need assistance .
